

It is not necessary to consult an advisor to simply track your progress. This can be self-evaluated using the audit sheets located at [_____](#). If, however, you would like to consult an advisor to discuss other particular issues concerning your Political Science program, please ensure that you complete an audit sheet, including: (1) the courses you have taken (2) the final, official grades you have attained (c) the courses you are currently firmly registered for, and if pertinent, (4) any POLI courses that are counting towards programs *outside* of your Political Science program.
