Academic Leadership Forum

Christopher Manfredi
Provost & Vice-Principal
(Academic)

5 December 2019

- 
-
- *open to new ideas, other ways of looking at the world; open to cultural and human diversity; open to new ways of doing things;*
 - *connected to its local and global community; connected across disciplines, boundaries of geography and sectors; and*
 - *imbued with a clear sense of purpose, because what we do – learning, using and advancing knowledge, exploring new paths in knowledge – has never mattered more to our community and our world.*

- 
-
- *Invest in building and maintaining a smart campus...*
