

Vice-President (Research and Innovation)

Office of Sponsored Research
McGill University

845 Sherbrooke Street West
Montreal, Quebec, Canada

Tel: (514) 398-3996
Fax: (514) 398-4853

2. How many products resulted from this grant?

Research products may include traditional academic outputs such as peer-reviewed articles, books, conference presentation, etc., as well as other knowledge mobilization activities.

3. Description of Research Activities and Next Steps

Briefly describe the activities supported as part of this award, noting in particular any knowledge mobilization, exchange and dissemination of the research and results already carried out or planned for future stages of the research. Also include a description of the next steps for the research project supported, including submitted or anticipated applications for external support.
