and links to instructional tutorials and strategies to prevent cheating. The Code of Student Conduct and Disciplinary Procedures includes sections on plagiarism and cheating. The possession or use of unauthorized materials in a test or examination constitutes cheating. You can find the Code in the Handbook on Student Rights and Responsibilities at www.mcgill.ca/students/srr/publications.

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as administrative evidence in an investigation of cheating under Article 16 of the Code of Student Conduct and Disciplinary Procedures.

The Office of the Dean of Students administers the academic integrity process as described in the Handbook on Student Rights and Responsibilities.

1.5 University Student Assessment Policy

The University Student Assessment Policy includes all disparate policies with regard to all types of student assessment. This policy is meant to protect students from excessive workloads, and to ensure that all students are treated equally.

This policy applies to undergraduate and graduate courses offered by the University that are evaluated by any form of assessment. Except where otherwise indicated, this policy applies to all faculties, including those which administer the written examinations.

You can consult the policy at [University Student Assessment Policy](#).

1.6 Policy Concerning Access to Records

Revision, January 2013. Start of revision.

The University sends statements of account and all other correspondence directly to students. Students retain full control over who has access to your records or accounts; however, officers and members of the University staff also have access to relevant parts of your records for recognized administrative use. The University does not send progress reports or other information to your parents and/or sponsors unless you specifically request it in writing.

In accordance with Quebec's Access to documents held by public bodies and the Protection of personal information (the "Access Act"), personal information, including transcripts of academic records, may be released only with the student's authorization. When you apply to McGill, you authorize the University to release certain personal information (name, address, telephone, residential address, date of birth, program, and student status) to specific persons and bodies.

The following persons and bodies are included in your information release authorization:

1. Libraries of other Quebec universities with which McGill has reciprocal borrowing agreements (ID number and bar code may also be disclosed to those libraries)
2. Ministère de l'Immigration et des Communautés culturelles and/or the Régie de l'assurance-maladie du Québec and the Ministère de l'Enseignement supérieur de la Recherche, de la Science et de Technologie
3. The appropriate authorities involved with the external or internal funding of your student fees (financial records may also be disclosed to those authorities)
4. The Association of Universities and Colleges of Canada
5. The Association of Registrars of Universities and Colleges of Canada and the Conférence des recteurs et des principaux des universités du Québec or the member institutions of these organizations, for the purpose of admissions operations and the production of statistics
6. The school(s) or college(s) that you attended
7. Students and alumni who have volunteered to speak with admitted students
8. Student Associations recognized by McGill University for the student category(ies) to which you belong
9. The McGill Alumni Association
10. Professional bodies or corporations (e.g., engineers, dentists)
11. McGill Network and Communications Services for the purposes of listing your McGill email address in an online email directory

If you do not want to authorize the University to disclose personal information to the organizations mentioned above in 8, 9, 10, and 11, you must complete an Opposition Form, available at www.mcgill.ca/students/records/forms.

Revision, January 2013. End of revision.

1.7 Email Communication

All students are assigned a McGill Email Address (usually in the form of `firstname.lastname@mcgill.ca`) and access to a McGill email mailbox. You can view your McGill Email Address and set your McGill Password.

Revision, July 2012. Start of revision.

You should read and familiarize yourself with the policies on Responsible Use of McGill Information Technology Resources and Email Communications with Students found under Information Technology on the University Secretariat website at www.mcgill.ca/secretariat/policies/informationtechnology. For more information on email for students, refer to www.mcgill.ca/it and see section 12 For your Information Technology (IT) needs

Revision, July 2012. End of revision.

Note for Continuing Studies: The above services are not available if you are registered in short courses or seminars not recorded on the official McGill transcript.

1.8 Responsible Use of McGill Information Technology Resources

You must comply with the Policy on the Responsible Use of McGill Information Technology Resources as approved by the University Senate. You can find this policy in the listing of University Policies, Procedures and Guidelines under Information Technology, at www.mcgill.ca/secretariat/policies/informationtechnology.

2 Personal Information

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The Personal Information section of this publication contains important details pertaining to nominating information, legal documents, ID Cards, as well as other topics, and should be consulted periodically.

2.1 Updating Personal Information

It is important to keep your official records up to date, especially your mailing or billing address, because these are used to bill you each year. If your address information is invalid, incomplete, or missing, the University will hold your mail. Once you have provided a valid address, the University will resume sending your mail.

You must update your address(es) and/or telephone number(s) and general contact information on Minerva (www.mcgill.ca/minerva) under the Personal Menu.

If you are away from campus and do not have access to the Internet, you can request changes by writing to your Student Of

2.1.2.1 Fee Exemptions

Exemption from the out-of-province or international supplement tuition fees is possible for students of the following three categories, as authorized by the Government of Quebec:

1. French Course Fee Exemptions Non-Quebec Canadian and international students are automatically assessed fees for certain eligible French courses at the Quebec tuition rate (notable exceptions as listed at www.mcgill.ca/student-accounts/tuition-fees/legal-information/tuition-fee-exemption).
2. Out-of-province Tuition Supplement Exemptions Non-Quebec Canadian students in the following categories are exempted from out-of-province tuition supplements (details at www.mcgill.ca/student-accounts/tuition-fees/legal-information/tuition-fee-exemption):

Students in a Ph.D. program

Students in a Post-Graduate Medical Education program: Medical Residents, Clinical Fellows, Clinical Research Fellows, Research Fellows

Students registered full-time in the Masters in French (Maîtrise en français) (This exemption begins at the moment the student registers in the program, without retroactive effect.)

3. International Students Eligible for Fee Exemptions Based on Legal Status in Canada Students with one of the following statuses may be exempt from International Supplements (certain categories may be assessed at the Canadian tuition rate; full details regarding eligibility criteria are listed at www.mcgill.ca/legaldocuments/exemption):

Citizens of France

Citizens of certain countries with an agreement with the Government of Quebec

Diplomatic, consular or other representatives of international organizations

Convention refugees

Students waiting permanent residency in Canada and holding an eligible CSQ

Students whose spouse or unmarried students whose parent holds a Temporary Work Permit in Canada

Students funded by the FRSC (Fonds de la recherche en santé du Québec)

These exemptions lower your fees to the Quebec rate of tuition. More detailed information for the categories listed above are available at www.mcgill.ca/student-accounts/tuition-fees/legal-information/tuition-fee-exemptions as well as at www.mcgill.ca/legaldocuments/exemption

Note that this information may be subject to change.

Revision, January 2013. Start of revision.

2.1.3 Legal Documents: Has McGill Received Your Documents?

2.1.3.1 Quebec/Canadian/International Fees and Immigration Status

Once McGill has received your documents, it usually takes 4 to 6 weeks to process your application (2.1.3.1)Tjkfou5

2.1.4 Legal Documents: What Are the Consequences of Not Providing Your Documents?

Revision, January 2013. Start of revision.

The deadline to submit documents in support of a change to your tuition status for that term is the last day of classes for that term (e.g., December 1st for changes to be made to your tuition status for the term, or April 1st for changes to be made for the next term).

McGill will not produce your ID card until all of your legal documents have been received. Your ID card is essential to the use of many services on campus, and to take your final exams.

If we are missing the required legal documents, a hold will be added to your record preventing you from registering or dropping any courses, and from obtaining your official transcript.

International students who have not provided their valid immigration documents to McGill may be deregistered.

If your tuition status is changed and your fees are reduced as a result of the document review process, McGill will waive the difference on any accumulated late payment or interest charges.

Revision, January 2013. End of revision.

2.1.5 Legal Documents: Where Do I Send My Documents?

You must send in all your documents after you have been accepted to McGill before the start of classes. Do not send originals. Email or mail clear and legible copies of your documents. Write your McGill student ID on each document so that McGill can match them to your records. The sooner you submit your documents, the sooner the University can update your status and ensure that your record is in good standing. Refer to www.mcgill.ca/legaldocuments for further details.

By Email:

Follow the steps to submit your legal documents electronically

1. Save the attached file in an accepted format.

Standard PDF (.pdf) encrypted PDFs will not be accepted.

Tagged image format (.tif, .tiff) for scanned images).

Ensure that you save your documents properly in one of the above formats do not just rename the file extension. Due to the possibility of computer viruses, McGill does not accept Microsoft Word documents (.doc) or text files (.htm, .html), JPG, GIF or any other format.

2. Ensure that the resolution used is at least 300 dpi (dots per inch) for an electronic replica (scan) of documentation (e.g., a scan of your birth certificate). The preferred file size is 100KB per image.
3. Address your email to legaldocumentation@mcgill.ca and attach your relevant scanned document(s). Attach the file(s) to your email; do not include the documents in the body of your email.
4. Put your First Name, Last Name, and McGill ID number in the subject line of your email.

Note: Individual email size (including your attachments) should not exceed 5 MB (5120 KB).

2.2 Identification (ID) Cards

Revision, January 2013. Start of revision.

As a student registered at McGill, you are required to present an ID card to:

- write examinations;
- use libraries and student services, including certain laboratories;
- access residence buildings;
- access meal plans;
- access the intercampus shuttles.

To receive your ID card you must be a registered student, while also providing your Permanent Code information and proof of legal status in Canada (for a list of acceptable documents, see [section 2.1.2 Legal Documents What Documents Does McGill Need from You?](#)).

ID cards will not be issued if any of your legal documents are missing.

The Student Identification Card is the property of the university for use by the cardholder only and is not transferable. If you withdraw from all of your courses, you must attach your ID card to the withdrawal form or return it to Enrolment Services (or the Faculty of Agricultural and Environmental Sciences, Student Affairs Office, Macdonald Campus).

Note that you cannot change the name on your record via [Mint](#). Requests for such changes must be made by presenting of cial documents (see [section 2.3 Name: Legal Name](#) and [section 2.4 Name: Preferred First Name](#)) in person at [Service Point](#), 3415 McEwain Street, Montreal, Quebec, H3A 0C8.

Note for Continuing Studies: Requests for such changes must be made by presenting of cial documents (see

Students should pay close attention to the following on Class Schedule and in this publication:

- course restrictions: for example, permission of the instructor required; enrolment limited, or limited to students in a particular program or year;
- course prerequisites, and/or corequisites: it is a McGill University regulation to register for a course for which you have not completed all the prerequisites with a C or better;
- time at which each course section meets: do not register for course sections that have a time overlap; or
- departmental approval required: specified in the course description; and
- placement examination required: specified in the course description.

If you are currently a McGill student, please consult the Undergraduate Programs, Courses and University Regulations publication at www.mcgill.ca/study to check your course and program requirements and consult your faculty/students affairs office for a list of Summer courses that are admissible for credit toward your degree. Other courses may be taken but may not count toward your degree requirements.

3.5 Department Approval

Some courses require that you first obtain department approval from the department offering the course (for Education courses, from the Student Affairs Office, Faculty of Education) before registering. A course requiring department approval will be listed as such in the Class Schedule. Department approval gives you the permission to register, but does not reserve a place in the course.

Since enrolment in these courses is on a first-come, first-served basis, you should register on Minerva as soon as you have your Department Approval.

3.6 Course Changes

All students must use Minerva to make any changes to their course selection. You can use Minerva to add or drop courses at any time up to and including

3.9 Quebec Inter-University Transfer Agreement: McGill Students

Revision, January 2013. Start of revision.

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a regular McGill undergraduate or graduate degree, diploma, or certificate student, you may register with your faculty's permission, at a Quebec university for three, or in some cases six credits per term in addition to your registration at McGill. You may also obtain permission to complete a full term (i.e., 12 to 15 credits) at another Quebec university. These courses, subject to faculty regulations, will be recognized by McGill for the degree that you are registered for up to the limit imposed by the residency requirements of the program. Normally you must complete a minimum residency requirement of 60 credits at McGill in order to qualify for a McGill degree (you should check with your faculty). This privilege will be granted if there are valid academic reasons.

If you want to take advantage of this agreement, consult your Student Affairs Office for details. Note that this agreement is subject to the following conditions:

The Quebec universities concerned may, at their discretion, limit the number of credits (up to 15 credits) at another Quebec institution that may be transferred to McGill.

3.11 Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option

The principle of the Satisfactory/Unsatisfactory (S/U) option is to encourage you to take courses outside the area of your specialization with the objective of enabling you to acquire knowledge and skills in a variety of fields.

Where permitted by faculty and program regulations, you may take one elective course per term to be graded under the Satisfactory/Unsatisfactory (S/U) option, to a maximum of 10% of your credits taken at McGill to fulfill the degree requirements.

If you decide to have an elective course graded as Satisfactory/Unsatisfactory (S/U), you must do so before the Course Change deadline on Minerva (www.mcgill.ca/minerva) as part of the Student Menu > Registration Menu > Quick Add or Drop Course Sections Menu. You cannot make any changes after the Course Change deadline even if you selected the option by mistake. If the course is a multi-term course, you must select the S/U option by the Course Change deadline of the first part of the course.

The instructor will report grades in the normal fashion. Grades of A through C are converted to "Satisfactory" (S), and grades of D, F, and J are converted to "Unsatisfactory" (U). The courses taken under the S/U option will be excluded from the grade point average (GPA) calculations, but they will be included in the attempted credits total. Credits for courses with a final grade of S will also be included in the number of credits earned.

Note: To be considered for in-course awards, including Dean's Honour List designations, and/or the various entrance scholarships, you must complete at least 27 graded credits in the regular academic session, not including courses completed under the S/U option.

Note: The S/U option is not available via Minerva to Visiting, Exchange, or Quebec Inter-University Transfer Agreement (IUT) students. These students must first contact their home university to ensure that a course taken under the S/U option is acceptable to their home university and that the credits are transferable. After receiving approval from their home university and before McGill's Course Change deadline, they must then consult their McGill faculty Student Affairs Office for approval. Students in the faculties of Arts or Science: you will need to go to Service Point (3415 McTavish Street) to make this request. However, it is important that you also see a faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising

Note: Special Students are not eligible to select the S/U option.

For further information, contact your departmental adviser or student affairs office, as appropriate.

Note for Agricultural & Environmental Sciences, Arts, B.A. & Sc. and Science Freshman year (U0) students are not eligible to select the S/U option.

Revision, August 2012. Start of revision.

Note for Engineering:

You will only be permitted to take a course under the Satisfactory/Unsatisfactory (S/U) option if you are in Satisfactory Standing. B.Eng. and B.S.E. students may use the S/U option for Complementary Studies courses (i.e., Group of Technology on Society and Group B Humanities and Social Sciences, Management Studies and Law Basic Science Complementary Courses (for Computer Engineering and Software Engineering students from CEGEP), and Elect Courses (for Mechanical Engineering students from CEGEP) cannot use the S/U option for courses in another category of the Engineering programs. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these Complementary Studies courses.

B.Sc.(Arch.) students may use the S/U option for elective courses taken outside the School of Architecture. You cannot use the S/U option for courses in another category of the Architecture program. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these elective courses.

You cannot use the S/U option for courses that do not satisfy a minor

Note for Law: The S/U option is only applicable to non-electives.

Revision, August 2012. End of revision.

Note for Management: The S/U option is not available on Minerva for Management students. Requests for the S/U option can only be made during the official add/drop period. Please contact the BCom Office (www.mcgill.ca/desautels/pgrams/bcom/contact) for details on the conditions that apply.

Note for Music: Music students may use the S/U option for elective courses taken outside the Schulich School of Music (non-music courses). Please note that the S/U option is not permitted for courses that do not satisfy a minor

3.12 Auditing of Courses

McGill does not permit auditing of courses.

Note for Continuing Studies: You can register for a Continuing Studies course and opt to be "non-evaluated."

4 Fees

Revision, January 2013. Start of revision.

The information in this publication is updated in early January 2013. The University reserves the right to make changes without notice in the published scale of fees.

Further information regarding fees can be found on the Student Accounts website: www.mcgill.ca/student-accounts/tuition/fees/tuition-and-fees

For information on financial support, see Programs, Courses and University Regulations > University Regulations and Resources > Undergraduate > Scholarships and Student Aid.

Revision, January 2013. End of revision.

4.1 Invoicing Information

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance, and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is available for viewing on Minerva (www.mcgill.ca/minerva). Charges or payments that occur after the statement date appear on that month's statement, but you can view them immediately on the Account Summary by Term under the Student Accounts Menu on Minerva (this is the online dynamic account balance page).

Revision, January 2013. Start of revision.

Failure to check email on a regular basis in no way warrants the cancellation of interest charges and/or late payment fees. Refer to the Important Dates for Students website at www.mcgill.ca/importantdates for information on payment due dates.

us with a copy of their valid passport with the entry stamp issued by the Immigration official at the port of entry into Canada (we may also require a copy

4.2.5 Other Policies Related to Fees: Acceptance of Fees vs. Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid to date will be refunded.

For directions on requesting your refund online in Minerva see www.mcgill.ca/student-accounts/your-account/requesting-a-refund

4.3 Other Information: Payment Procedures

Please see the Student Accounts website at www.mcgill.ca/student-accounts/your-account/payment for the various methods of payment available to students and their guests.

4.4 Other Information: Tax Slips/Receipts

Revision, July 2012. Start of revision.

T4A, Relevé 1, T2202A, and Relevé 8 slips are issued on Minerva (www.mcgill.ca/minerva) under the Student Accounts Menu by the end of February each year. Note that a social insurance number and a mailing address are required to be transmitted to Revenu Québec by the University as part of its tax reporting for both the Relevé 1 and the Relevé 8 slips; therefore, it is highly recommended that if you are to be completing a Quebec income tax return, you provide this information to the University upon registration. More information on these slips is available at www.mcgill.ca/student-accounts/your-account/tax-information

Revision, July 2012. End of revision.

4.5 Other Information: Students With Sponsors

If your fees will be paid by an external organization or agency (e.g., Department of Veterans Affairs, Saudi Bureau, foreign government), you must have your sponsor confirm the conditions of their sponsorship (sometimes called a financial guarantee) in writing on their corporate letterhead and send this letter to the University. Once received by the University and if registration has occurred, your account will be adjusted. Sponsors must confirm annually the list of eligible students by August 1st of each year or one month prior to the start of the term. For more information, please refer to www.mcgill.ca/student-accounts/parts-and-sponsorship/third-party-sponsorship.

If the sponsor does not pay the promised fees within 90 days of billing, you are responsible for paying the fees plus the late payment fee and accrued interest.

4.6 Refunds

Refunds of tuition and administrative charges are available in the following cases:

- if you cancel your registration prior to the start of classes;
- if you drop a course during the Course Change period (first four scheduled classes, which include lectures and laboratories [please see course descriptions of intensive courses where deadlines may be non-standard]).

You are not automatically refunded your credit balance as students choose to keep the balance on account for use for a future year. You may however, request your credit balance to be refunded at an

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The Student Records section of this publication contains important details pertaining to academic standing, grading and grade appeals (GA), and transcripts, as well as other topics, and should be periodically consulted.

5.1.1.3 Unsatisfactory Readmitted Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Unsatisfactory Readmitted Standing:

- you were previously in Unsatisfactory Standing and were readmitted by your faculty or the Committee on Student Standing;
- you must meet the conditions specified in your letter of readmission to be allowed to continue in your program;
- you must carry a reduced load (maximum 14 credits per term) and a limit may be specified in your conditions of readmission;

you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an Unsatisfactory Standing must be submitted to:

Arts: Associate Dean (Student Affairs)

Science and B.A. & Sc.: Director of Advising Services

If your Standing is still incomplete by the end of course change period, you should immediately consult with your Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate Standing in June, if the outstanding mark in the course will not affect your Standing. Otherwise, Standing decisions will be made only once incomplete marks are cleared. For more information about incomplete grades, please refer to [complete Courses](#)

Note: Requests are made at Service Point (3415 McEwen Street). However, it is important that you also see an Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising

Revision, Jan

Students in Interim Unsatisfactory Standing after the Fall term:

You may continue with your studies under the following conditions:

You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA greater or a TGPA of 2.50 or greater

If you have a TGPA of 2.50 or greater but your CGPA is less than 2.00, you may continue with your studies but will remain in Probationary Standing until you obtain a CGPA of 2.00 or greater

If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.

You must consult a faculty or departmental adviser before withdrawal deadlines concerning your course selection.

Students in Unsatisfactory Standing after the Winter term:

You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see www.mcgill.ca/engineering/student/sao/policies/academic

5.1.3 Academic Standing: Faculty of Law

If you do not obtain a sessional grade point average (GPA at the end of Fall and Winter terms combined) of 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program but must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

5.3 Grading and Grade Point Averages (GPA)

Courses can be graded either by letter grades or in percentages. The official grade in each course is the letter grade. Where appropriate, a class average appears on transcripts expressed as the letter grade most representative of the class performance.

Since Fall 2002, the University has only used letter grades on transcripts and graduation forms.

Grades A through C represent satisfactory passes, D a conditional (non-continuation) pass, and F a fail. Certain courses have been approved for Pass/Fail (P/F) grading. Students may also designate selected courses to be graded under the S/U option. [Section 3.11 Courses Taken under the Satisfactory/Unsatisfactory \(S/U\) Option](#)

You must obtain a grade of C or better in courses that you fulfill program requirements. You may not register in a course unless you have passed all the prerequisite courses with a grade of C or better, except by written permission of the appropriate department chair.

| Grades | Grade Points | Numerical Scale of Grades |
|----------|--------------|---------------------------|
| A | 4.0 | 85 100% |
| A- | 3.7 | 80 84% |
| B+ | 3.3 | 75 79% |
| B | 3.0 | 70 74% |
| B- | 2.7 | 65 69% |

| C | 2.0 | 55 59% |
| D | 1.0 | 50 54% |
| F (Fail) | 0 | 0 49% |

Revision, August 2012. Start of revision.

Note for Law: Faculty of Law does not use this numeric scale.

Revision, August 2012. End of revision.

The University assigns grade points to letter grades according to the table. Your Academic Standing is determined by a grade point average (GPA).

how term work will affect the final mark in the course;

how term work will be distributed through the term;

whether there will be a supplemental examination in the course, and if so, whether the supplemental work will be worth 100% of the supplemental grade, or whether term work will be included in the supplemental grade (courses with formal examinations must have supplementals);

whether students with marks of D, F, or U will have the option of submitting additional work, and, if so, how the supplemental mark will be calculated with the extra work (applicable only to students in Science and B.A. & Sc.).

Revision, August 2012. Start of revision.

Note for Engineering: In the Faculty of Engineering, letter grades are assigned according to the grading scheme adopted by the professor in charge of a particular course. This may not correspond to grades indicated in the Numerical Scale of Grades, Grading and Grade Point Averages. A grade of D indicates marginal performance which is acceptable only for Complementary Studies courses (i.e. A Group of Technology on Society and Group B Humanities and Social Sciences, Management Studies and Law Basic Science Complementary Courses (for Computer Engineering and Software Engineering students from CEGEP), and Elect Courses (for Mechanical Engineering students from CEGEP). A grade of D is not acceptable for core courses, technical complementary courses, or courses in the category of the Engineering programs. Individual departments/schools will decide if a student with a D in a prerequisite course(s) may take the subsequent course.

Grades have the following designations:

| | |
|-----------|------------------|
| A, A- | Very Good |
| B+, B, B- | Good |
| C+, C | Satisfactory |
| D | Conditional Pass |
| F | Fail |

6 Examinations: General Information

Note: The University Exam Regulations governed by the University Student Assessment Policy are available at www.mcgill.ca/students/exams/egulations

In addition to the University Student Assessment Policy and the general examination regulations listed at www.mcgill.ca/students/exams/egulations, you should also consult the faculty sections of this publication for particular regulations. You will be informed of the evaluation method used in each course by the end of the Course Change period.

Every student has a right to write term paper examinations and theses in English or in French, except in courses where knowledge of a language is one of the objectives of the course.

You are not permitted to write an examination in any course unless you have fulfilled the requirements of the course to the satisfaction of the instructor and your Associate Dean or Director. Once you have presented yourself for an examination or test, you must submit all written work to the invigilator before leaving.

You must have your valid McGill student ID card with you to write an examination. Forgetfulness is not an acceptable excuse.

You are reminded that cheating in any examination is considered a serious offence that could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination. This includes electronic devices such as cell phones, iPods, MP3 players, PDAs, and other web-access devices. Unauthorized items found on the student or desk area during an exam will be confiscated and turned over to the Disciplinary Officer.

Responses on multiple-choice examinations are normally checked by the Exam Security Computer Monitoring Program. The program detects pairs of students with unusually similar answer patterns on multiple-choice examinations. Data generated by the program can be used as administrative evidence either to initiate or corroborate an investigation or a charge of cheating under Section 16 of Code of Student Conduct and Disciplinary Procedures.

All students are responsible for familiarizing themselves with the University Student Assessment Policy and the Code of Student Conduct and Disciplinary Procedures (available at www.mcgill.ca/students/exams/egulations).

You can find information about issues related to academic integrity at www.mcgill.ca/students/srr/honest

6.3 Credit by Examination

In certain exceptional cases and in certain faculties, you can apply to the Associate Dean or Director to write a national examination in order to obtain credit in a course that you were not registered in. This is possible only in those courses where there is no other assessment of the national examination.

6.4 Faculty of Engineering Policy on use of Calculators in Faculty Tests and Examinations

The use of calculators during tests and examinations is at the discretion of the course instructor. If a calculator is permitted in the examination, you are

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at Service Point (3415 McTavish Street). However, it is important that you also see a faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising

It is the responsibility of the student to confirm the date, time and place of the examination by checking examination schedules posted on notice boards on campus and at www.mcgill.ca/students. This information is not available by telephone. No student will be allowed to enter an examination later than one hour after it has started.

6.6 Deferred Examinations for Summer Term Courses

If, for serious reasons such as illness or injury, you have not written one or more examinations, you must contact in writing the Associate Dean, or Program Director of the faculty in which you are registered within four days of the date of the examination. The reason(s) for your having missed the examination must be fully documented, in writing.

If the Associate Dean, or Program Director approves the request, you may be granted the option of writing a deferred examination. In such cases, a grade of "L" will be entered on your record, to be replaced subsequently by the grade earned on the deferred examination.

Students with permission to write a deferred examination (for courses administered by faculties outside of Engineering) should e

The following regulations apply:

You may request rereads for only one course per term, unless you obtain permission from the Student Affairs Office, Engineering Student Centre.

13 The McGill Writing Centre

Revision, January 2013. Start of revision.

The McGill Writing Centre (MWC) offers credit courses in academic writing for both native and non-native speakers of English. In addition to its credit course offerings, the MWC offers non-credit courses, workshops, and individualized tutoring. For further information, please visit the MWC website: www.mcgill.ca/mwc

Courses coded as CEAP (for native speakers of English) and CESL (for non-native speakers of English) may be taken to fulfill language requirements or as electives in some degree programs. In some faculties, you need to obtain approval from your Student Affairs Office as well as from your academic adviser before you take courses outside of your faculty, especially if the courses are part of your program requirements.

15 Resources for Study and Research: University Archives

The McGill University Archives (MUA) acquires, preserves, and makes available to researchers (including students) more than 5,000 metres of records dating from 1797 to the present. These records document McGill University faculty, research, alumni, and student organizations, and certain Montreal-based organizations. Archived media include textual records, photographs, audio-tapes, film, video, plans, and university publications, and artifacts.

The MUA acquires private records to support University research goals and manages the University's corporate memory and information assets through its records management program. This program regulates the flow of administrative records and protects vital evidence of University functions and activities according to Quebec archives and records legislation.

The MUA Reading Room is open Monday to Friday from 9:00 a.m. to 12:30 p.m. and from 1:45 p.m. to 4:45 p.m. where appointments are recommended. The MUA website features virtual exhibitions, tools to search the MUA holdings, and a large bank of digitized images.

16 Resources for Study and Research: Redpath Museum

The Redpath Museum is an academic unit of McGill University. Its mission is to foster understanding and appreciation of the diversity of our biological, geological, and cultural heritage through scientific research, collections-based education, and public education. Its collections have been growing for over a century and provide resources for research and for graduate and undergraduate education in biology, geology, anthropology, and other fields. Its largest collections include fossils from the ancient seacoast of eastern Quebec, the oldest land plants, a range of minerals, molluscs from around the world, Egyptian and classical antiquities, and artifacts from Central Africa. The Museum also houses research laboratories and classrooms.

The Museum welcomes McGill students and staff to visit its permanent exhibit, which presents the history of life through the ages illustrated by material from Quebec and neighbouring regions, as well as displays that feature the mineral and mollusc collections. The Museum also features an ethnology gallery devoted to cultures throughout the world, including ancient Egypt, classical Greece and Rome, and Africa.

17 Resources for Study and Research: McCord Museum of Canadian History

The McCord Museum houses one of the finest historical collections in North America. It possesses some of Canada's most significant cultural treasures, including the most comprehensive collection of clothing comprising over 16,000 garments or accessories made or worn in Canada; an extensive collection of First Nations artifacts, the most important of its kind in Quebec with a corpus of over 13,000 objects from across Canada; and the world's largest Notman Photograph Archives, which contain over one million historical photographs and form a unique pictorial record of Canada from pre-Confederation to the present. The McCord also houses paintings by renowned artists such as Théophile Hamel, Cornelius Krieger, James Attison Cockburn, and George Heriot. The Museum's Textual Archives include some 185 linear metres of documents relating to Canadian history. Finally, the McCord's website (www.mccord-museum.qc.ca) features award-winning virtual exhibitions, innovative learning resources, and an easily searchable database of information on the Museum's collections.

Exhibitions at the McCord provide innovative interpretations of the social and cultural history of Montreal, Quebec, and Canada. In addition to guided tours, school programs, cultural activities, and lectures, the McCord offers a range of services including the Museum Café and boutique.

Since then the University has continued to grow vigorously. In 1884, the first women students were admitted and in 1899 the Victoria College was opened, a gift of Lord Strathcona, to provide separate teaching and residential facilities for women students. Gradually, however, classes for men and women were merged.

In 1905 Sir William Macdonald established Macdonald College at Sainte-Anne-de-Bellevue, as a residential college for Agriculture, Household Science, and the School of Teachers. Those components have since become the Faculty of Agricultural and Environmental Sciences, which includes the School of Dietetics and Human Nutrition, on the Macdonald campus, and the Faculty of Education, located on the Downtown campus. The University's general development has been greatly facilitated by the generosity of many benefactors, and particularly by the support of its graduates. Government grants for general and capital expenditures did not become available until the early 1950s. Since that time, government grants have become a major factor in the University's financial operations, but it still relies on private support and private donors in its pursuit of excellence in teaching and research.

The University now comprises 11 faculties and 10 schools. At present over 32,000 students are taking credit courses; one in four is enrolled in Graduate Studies.

The University is also active in providing courses and programs to the community through the School of Continuing Studies.
