## 1 Personal and Cultural Enrichment (PACE)

Are you seeking to expand a skill set for your current or developing career, or wish to know more about a topic for personal enrichment? You can find it at the School of Continuing Studies' **Personal and Cultural Enrichment (PACE)** program.

PACE workshops, lectures, and sessions are exceptional learning opportunities which emphasize an interactive format. PACE facilitators are drawn from an extensive pool of academic, artistic, and professional talent who bring their respective expertise to an informal learning environment. Many of these sessions are available either as individual modules or with a discount as part of a series.

Programming is rooted in three main themes:

1. Arts & Culture
2. Social Issues & Community Engagement
3. Life Transitions

Open to the entire university community and the general public, PACE events take place at different venues on and off the McGill campus. Join us to find your PACE!
