1 About the Schulich School of Music (Undergraduate)

McGill's Schulich School of Music is the largest university-based school for professional musical training and music research in Canada.

McGill's Schulich School of Music is renowned for its orchestral, choral, opera, jazz, chamber, contemporary, and early music programs, and for its award-winning creative and research work in composition, music theory, musicology, music education, sound recording, and music technology.

- *Pollack Hall* (capacity: 600), *Redpath Hall* (capacity: 300 and housing the University organ), and *Tanna Schulich Hall* (capacity: 170) are among the busiest and best concert venues in Montreal;
- The intimate *Clara Lichtenstein Hall* (capacity: 50) was renovated in 2014;
- Facilities also include the *Wirth Opera Studio* (an opera rehearsal room), and the *Multimedia Complex Suite*, including the Multimedia Room (a scoring stage/acoustical research lab), three isolation booths, a small recording studio, and three control rooms of different sizes;
- The *Marvin Duchow Music Library* supports research, teaching, and learning at the Schulich School of Music through reference and information literacy services, by the acquisition and preservation of physical and online collections (more than 300,000 scores, recordings, books, and periodicals, as well as a vast number of online resources), and with a variety of study and multifunctional spaces over three floors, which cater to the needs of McGill Library users at large. The Open Lab of the Music Library is a unique service in Canada, supporting the technology, sound recording, and audiovisual editing needs of the School's faculty and students;
- The *Gertrude Whitley Performance Library* has performing materials for over 6,000 titles;
- The *Centre for Interdisciplinary Research in Music Media and Technology* (CIRMMT) is an interfaculty, inter-university, international consortium of scholars that brings together researchers and artists working in the science and technology of music in a cutting-edge environment for integrated studies of music, acoustics, cognitive science, engineering, sound recording, performance science, and digital media.

The buildings house labs for numerous specialized functions: digital composition and electronic music, music education research, multi-channel sound recording, music perception and cognition, sound processing and control, computational modelling, and more. There are state-of-the-art classrooms, teaching studios, and over 100 practice rooms.

Current student enrolment is approximately 520 at the undergraduate level and approximately 375 at the graduate level. Teaching staff includes 60 full-time and over 140 part-time members. Students, faculty, and staff play major roles in Montreal's vibrant cultural scene, presenting approximately 600 concerts and events annually, as well as master classes, lectures, and symposia, all enhanced by active music student societies, a booking office, and engaged administrative and support staff.

The program includes group tutorial instruction in conducting, ensemble participation, and complementary courses offering the opportunity to focus on conducting technique, rehearsal pedagogy, or performance practice. Enrolment is limited.

2.1.10.1 Graduate Diploma in Performance

The Graduate Diploma in Performance is a one-year graduate diploma that allows excellent musicians to refine their technique and master repertoire through intensive coaching, practice, and performance projects.

Designed as a polishing diploma, the program prepares musicians for professional careers as soloists, opera singers, collaborative pianists, chamber, jazz and orchestral musicians, or for further graduate studies in performance. Flexible program requirements enable a range of performance options including solo, chamber, recording, orchestral auditions, and creative collaborations.

successfully completed at least 27 credits (excluding summer courses and courses completed under the Satisfactory/Unsatisfactory option) in the academic year preceding the award and must register for full-time studies during the subsequent year. Students whose records contain outstanding incompletes or deferrals will not be considered. No application is required.

Students enrolled in a B.Mus. or L.Mus. program may be eligible to apply for other types of financial aid to support their learning activities as a music student. Visit the Schulich School of Music website for more information www.mcgill.ca/music/student-resources/undergraduates/finance.

2.3 Summer Studies

Summer Studies offers courses starting in May, June, and July.

Students may take a maximum of 18 credits during the Summer session. Those wishing to take more than 6 credits in any one month must obtain the permission of a Program Adviser.

Information concerning course offerings and application forms may be obtained from the McGill [Summer Studies Office website](#), or by calling 514-398-5212.

2.4 Music Credit Options for Students in Other Faculties

The Schulich School of Music offers three groups of courses that may be taken for credit by students in other faculties.

The first group consists of Music Literature and Theory courses especially designed for students from other faculties who may not have taken formal studies in music but who wish to take elective courses in the cultural, historical, and theoretical aspects of music. These courses are generally offered with a MUAR prefix. Students enrolled in a B.Mus. or L.Mus. program cannot take MUAR courses and apply them as earned credits towards their program.

The second group is the sequence of courses in music theory, musicianship, music history, and music technology that are part of a minor offered by the Schulich School of Music undergraduate curriculum. Non-music students enrolled in a particular stream of a music minor have registration priority in that stream's respective courses, providing they have completed all the necessary prerequisites.

The third group of courses consists of selected music ensembles open, by audition, to students in other faculties.

For further details on these courses, please see [Faculty of Arts > Undergraduate > Browse Academic Units & Programs > Music \(MUAR\)](#). Other music courses may be taken by qualified students from other faculties providing they obtain permission from the relevant department in the Schulich School of Music and from the Associate Dean of their own faculty.

2.5 McGill Conservatory

The McGill Conservatory, Community Program of the Schulich School of Music of McGill University, offers instruction in piano, guitar, most orchestral instruments, and voice, as well as Theory and Ear Training from the elementary level up to and including Collegial levels.

In addition, the McGill Conservatory offers the Little Musicians course—an introduction to music for young children; Suzuki method instrumental instruction; children's and youth choirs; instrumental ensembles; and a variety of jazz improvisation, rhythm, theory, history, and combos.

Instrumental examinations up to the Collegial II level and Theory and Ear Training examinations from the Secondary III to Secondary V levels are available to both internal and external students. Theory and Ear Training examinations at the Elementary and Collegial I and II levels are open to internal students only.

The McGill Conservatory also welcomes adult students (at any level) and encourages their participation in instrumental instruction, instrumental ensembles, and Theory and Ear Training.

3.1 Application Procedures

All inquiries regarding admission should be directed to:

Music Admissions Office
Schulich School of Music, McGill University
555 Sherbrooke Street West
Montreal QC H3A 1E3
Telephone: 514-398-4546
Fax: 514-398-8873
Email: undergradadmissions.music@mcgill.ca

Full information, including access to the web-based application form, is available at www.mcgill.ca/music/admissions.

In order to ensure proper consideration, web applications for the Fall Term (September) must be submitted by **January 15**. The School does not normally admit students in the Winter Term (January). Please consult the Music Admissions Office for exceptions. Applications received after these deadlines will be considered if places are still available.

1. **Application information** should include detailed descriptions of the applicant's musical background, training, and statement of intent including diplomas, certificates, and/or transcripts;
2. All applicants must arrange to have a **Letter of Recommendation** submitted on their behalf;
3. All **supporting documents** for undergraduate applications can be submitted online via Minerva; see www.mcgill.ca/applying/nextsteps/documents for guidelines on how to upload documents;
4. Once an admission decision is made, **official transcripts** may be required to complete the admission file;
5. All **screening and audition recordings** should be submitted electronically directly to the Schulich School of Music: www.mcgill.ca/music/admissions/undergraduate.

Applicants are advised that satisfying the entrance requirements does not guarantee admission where instrumental places are limited.

3.2 Music Entrance Requirements

The minimum music entrance requirements are the equivalent of McGill Conservatory Collegial I Instrument or Voice (Performance applicants: Collegial II) and Secondary V Theory and Ear Training.

Approximate Equivalents to Entrance Requirements in Practical Subjects (McGill Conservatory Collegial I – Instrument/Voice)

Quebec CEGEPs	CEGEP II
Toronto Conservatory	Grade 9
Western Board	Grade 9
Mount Allison	Grade 9
Associated Board of the Royal Schools of Music	Grade 7

The above listing is intended only as a general guide. Admissibility to any program is determined by audition and academic record. Students wishing to major in Performance should be approximately two years more advanced, and be able to demonstrate potential as performers at their audition.

All applicants in **classical voice (all voice types)** and in all **jazz instruments** will be required to submit screening material (video) for preselection by January 15. Following a review of these recordings, selected applicants will be invited to attend a live audition. No live audition will be scheduled in classical voice (all voice types) or in any jazz instrument until recordings have been received and reviewed. All applicants must perform an audition of approximately 15 minutes' duration. The student should choose material that will represent different musical periods and reveal musicianship and technical proficiency to best advantage.

Consult the Music Admissions website at www.mcgill.ca/music/admissions/undergraduate for specific information on entrance audition requirements and dates.

Recorded auditions (video) are acceptable when distance prevents an applicant from attending an audition in person.

Applicants for **Composition** are asked to submit two or three samples of their written work.

Music Education applicants are asked to outline reasons for wishing to enter the Music Education field in their statement of intent and have a letter of reference sent from someone attesting to their suitability for teaching.

All screening, audition recordings, and composition samples should be submitted electronically to the Schulich School of Music. Please consult the Music Admissions website for instructions on how to submit this material: www.mcgill.ca/music/admissions/undergraduate.

3.3 Academic Entrance Requirements

3.3.1 Bachelor of Music

An applicant's entrance audition and academic record are considered when making an admission decision. As a limit is placed upon the number of students admitted to study a particular instrument, fulfilment of the minimum entrance requirements does not guarantee acceptance. TOEFL may be required of non-Canadian students whose mother tongue is not English. It is the applicant's responsibility to make the necessary arrangements with the examining board to write the test in the country of residence.

3.3.2 CEGEP Applicants

Students are expected to obtain the Quebec Diploma of Collegial Studies (*Dipl 0 1 51s*)

3.4 Diploma Programs

3.4.1 L.Mus. (All Applicants)

For admission to the Licentiate program, the applicant must have completed secondary school. The applicant's music qualifications must be equivalent to McGill Conservatory Collegial II Instrument or Voice and Secondary V Theory/Ear Training. An entrance audition is required. This program is normally three years in length.

3.5 Music Placement Examinations

In order to determine their course levels, all new students, including students from other faculties who are interested in pursuing a music minor or major, must sit diagnostic placement examinations starting the week prior to the beginning of classes in the fall semester. Placement examinations take place only once a year.

For a precise schedule and exam descriptions, refer to the [Placement Exams](#).

For B.Mus., L.Mus. students (except those in a jazz program) and students in other bachelor programs who would like to pursue a music minor or major:

Compulsory placement exams:

- Theory
- Musicianship (Ear Training and Keyboard Proficiency)

Optional placement exam:

- Music History

For B.Mus. Jazz Performance, B.Mus. Faculty – Jazz, and L.Mus. Jazz Performance students:

Compulsory placement exams:

- Jazz Ear Training
- Jazz Keyboard Proficiency (jazz piano and jazz guitar students are exempt from this placement exam. They will automatically receive exemption credits for jazz keyboard proficiency and will not be required to take substitute courses)
- Jazz Materials
- Theory (B.Mus. Faculty - Jazz students only)
- Jazz Music History [*Note: this has become a compulsory placement exam.*]

New students will receive the placement examination results on their Online Program Audit (OPA). See www.mcgill.ca/music/student-resources/undergraduates/academic-resources/program-audit for details. Exemption note(s) will be added to the transcripts for those who have been exempt from one or more course(s) via placement exams.

First-year students enrolled in the Bachelor of Music program who have completed the Quebec Diploma of Collegial Studies (Diplôme d'études collégiales) in a Music concentration or equivalent, or students transferring from other universities or colleges, and who have completed a course equivalent to Western Musical Traditions (MUHL 186) will be reviewed for exemption from this first-year music history course.

All jazz students who wish to be exempt from Jazz History Survey (MUJZ 187) must take a placement exam, even if they have completed a similar course in a college or university.

Students accepted into the Licentiate Diploma, who have completed the degree of Bachelor of Music at a Canadian or American university (or the equivalent elsewhere) within the preceding three (3) years, will not be required to sit the Music Placement Examinations and will be exempted from required Theory, Musicianship, and Music History, Literature, or Performance Practice courses. Should such students wish to avail themselves of the diagnostic service that the Music Placement Examinations provide, they may sit them; without, however, being bound by the recommendation generated from their results.

Nevertheless, should great difficulties arise in a specific class because of lack of adequate preparation, the Area Coordinator or the Area Chair, upon the advice of the instructor, reserves the right to counsel the student to undertake studies at a lower level.

3.6 Readmission

Students in Satisfactory Standing, who have not been registered in the Schulich School of Music for one or two terms, may return to the program in which

- **Winter session** – November 15
- **Summer session** – April 1
- **Fall session** – January 15 (students who must re-audition); or June 1 (no audition)

3.6.1 Re-auditioning

Students who *have not* completed their required practical examinations will be required to re-audition. Students who *have* completed their required practical examinations and are returning to fulfil academic courses are not required to re-audition. Students who are uncertain of the re-audition regulations are urged

4.1 General Academic Information

Students are required to be punctual at all classes and lessons. Grades in academic subjects are calculated on the basis of class work, examinations, and other course-related tasks as described in the class syllabus. Students risk failure in the subject concerned if they miss examinations or class work without a valid excuse provided in a timely manner.

We strongly recommend that students follow the sample course sequence published on their respective program's website (www.mcgill.ca/music/programs) so they can complete program requirements within the standard 4-year time frame (B.Mus. students) or 3-year time frame (L.Mus. students). It is particularly important for students to pass the required Core Courses in a timely manner and in strict sequence, as they provide structured training in the professional

The faculty will issue students an academic warning if they fail to meet these requirements. Students having received a warning are permitted to continue in the admitted program as long as they abide by the probationary conditions. Students failing to meet the probationary condition will be asked to transfer to the B.Mus. Faculty Jazz concentration program. They may also consult with a Program Advisor to determine their eligibility to transfer to another B.Mus. program offered by the Department of Music Research.

L.Mus. Programs

Students in all L.Mus. Performance programs must attain a minimum grade of "A-" in all practical instruction/exams and ensembles to continue in the program.

The faculty will issue students an academic warning if they fail to meet this requirement. Students having received a warning are permitted to continue in their admitted program providing they do not get another grade lower than "A-" in a practical instruction/exam and/or ensemble in subsequent terms. Students failing to meet these requirements will be asked to withdraw from the licentiate program.

4.3 Academic Standing

In addition to meeting the program-specific academic conditions stipulated above, students are expected to maintain satisfactory academic standing to allow for program continuation.

Academic Standing is based primarily on students' cumulative grade point average (CGPA), but may also be affected by their term grade point average (TGPA).

- Students will be placed in Unsatisfactory Standing (Winter or Summer term) or Interim Unsatisfactory Standing (Fall term) if their CGPA falls or remains below 1.50.
- For the Fall and Winter terms, students who were previously in Probationary, Readmitted Unsatisfactory, or Interim Unsatisfactory Standing will be placed in Unsatisfactory Standing if their TGPA falls below 2.50 and their CGPA is below 2.00.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) who have not at least satisfied the conditions to attain Probationary Standing that were specified in the letter of readmission will be placed in Unsatisfactory Standing.

Incomplete Standings

Standing awaits deferred exam; must clear Ks, Ls, or Supplementals.

Students with Incomplete Standings in the Winter or Summer term may register for the Fall term, but their Standing must be resolved by the end of the Course Change Period for that term. Students whose Incomplete Standing changes to Satisfactory or Probationary may continue in their program. Students whose Standing changes to Unsatisfactory Standing may not continue in their program.

Students whose Standing changes to Unsatisfactory and who wish to ask for permission to continue in their program must make a request to the Associate Dean (Academic and Student Affairs) as soon as they are placed in Unsatisfactory Standing. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation).

Students whose Standing is still Incomplete by the end of the Course Change period should immediately consult with the [Music Student Affairs Office](#).

4.4 Ensemble Policy and Regulations

4.4.1 Preamble

The ensemble program is designed to provide an enriched and cohesive curriculum in practical musicianship for every student. Much of this training is accomplished in ensembles (instrumental, choral ensemble, or specialized) for the duration of a student's studies.

Students are responsible for checking their program requirements carefully in order to verify and fulfil large and small ensemble requirements; the Performance Department does not follow the particular enrolment of any student's participation in their large or small ensembles.

Note: In some documentation, large ensembles are referred to as "basic" ensembles, and small ensembles are referred to as "assigned" ensembles.

For each program's large and small ensemble requirements, students should refer to the appropriate section of the eCalendar's [Music Undergraduate](#) section (all undergraduate and licentiate requirements are found under [section 5.2: Department of Performance](#) and [section 5.1: Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program](#). Graduate programs are found in the [Music Graduate and Postdoctoral Studies](#)

- percussion;
- harp;

- viola;
- cello;
- double bass.

Voice majors may choose from a group of vocal and choral ensembles appropriate to the level of their development.

In all programs which specify small ensembles, the following are considered small ensembles:

Note: Beethoven Orchestra (MUEN 567) does not count toward small ensemble credits.

MUEN 541	Chamber Music Project 2
MUEN 553	Vocal Chamber Ensemble
MUEN 556	Introduction to Collaborative Piano 1
MUEN 557	Introduction to Collaborative Piano 2
MUEN 560	Chamber Music Ensemble
MUEN 562	Guitar Ensemble

MUEN 582	Piano Ensembles
MUEN 584	Studio Accompanying
MUEN 585	Sonata Masterclass
MUEN 591	Brass Consort
MUEN 598	Percussion Ensembles

4.4.3 Additional Ensembles

Additional ensembles chosen by students in non-performance programs to reflect their particular interests may, with departmental approval, be applied as music and/or free elective credit. Students in performance may apply a maximum of four ensemble credits as complementary performance courses. Students electing an ensemble will normally be required to participate in the ensemble placement auditions and will be placed accordingly.

4.4.4 Assignments and Auditions

All students registered as full-time or part-time students in the Department of Performance must audition for a large ensemble in the beginning of the school year. (If a mid-year audition is offered for a particular year or ensemble, notice will be given to students.)

Auditions for large and small ensembles are mandatory for participation in the ensemble. Information on all auditions for ensembles can be found on the [ensembles website](#).

Students who cannot participate in the ensemble auditions at the times indicated on the website must contact the ensemble resource supervisor at least two (2) weeks before the date of the audition. The students must submit, in writing, reasons for their lack of availability and, if applicable, submit a recording of their audition materials prior to the day of the auditions. If students miss an audition with an accepted reason, but do not deliver the audition materials to the department, or if students miss an audition for reasons unacceptable to the Performance Department, they will not be allowed to audition and their assignment will be left entirely to the discretion of the Performance Department. The students may also be subject to grade penalties in the ensemble to which they are assigned.

Assignments for large and small ensembles are posted on the [Ensemble Resource Office website](#). Reassignments may be made from time to time during a term and will be communicated to students. Students registered in an instrumental program who are not assigned a large ensemble following the ensemble placement auditions should take a choral ensemble as their large ensemble.

4.4.5 Commitment

Ensembles are courses. Each student who has registered for an ensemble, or who has been assigned to an ensemble, has made a commitment to the ensemble and is required to be available to attend all rehearsals, concerts, performances, field trips, recordings, and other activities, which constitute the course requirements of that ensemble. If rehearsals outside of class meeting times occur, advance notice will be given.

4.4.13 Transfer Credits

The previous ensemble participation of students coming to McGill from other universities will be recognized if their ensemble experience was similar to that required by the Schulich School of Music; determination of this experience will be approved by the Area Chair and the Department Chair. In general, transfer credit is made on a term-for-term basis (not by credits) and usually does not exceed two (2) terms. Students are normally not permitted to reduce the large ensemble training requirements of their McGill program to less than the number of terms required for them to complete the rest of their program. In such cases, transfer credit may be given as music and/or free elective credit for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses.

4.4.14 Large Ensemble Extra Credits

Large ensemble credits accumulated above the minimum may be applied as music and/or free elective credits for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses. Participation in additional large or small ensembles implies that the same policies will apply.

4.4.15 Performance Library

Students are responsible for the music that has been loaned to them for their use, and for its return in good condition to the Gertrude Whitley Performance Library. Students will be required to pay for the replacement of any music that has been lost, stolen, or damaged, and a hold on a student's Minerva account can be placed by the Performance Librarian should music or fines not be handed in to the library.

4.5 Accompanying

Music students registered for practical instruction (including elective study) in one of the eligible instruments may request Accompanist Funding up to a maximum number of hours. Further details are available from the Department of Performance Office (performance.music@mcgill.ca).

4.6 Academic Category

All Music students are registered in one of the following categories:

Academic Categories

Major: B.Mus. candidates may choose one or more of several majors as described under [section 5: Browse Academic Units & Programs](#).

Faculty Program: a flexible B.Mus. program (see [section 5.1.4: Bachelor of Music \(B.Mus.\) - Faculty Program Music \(123 credits\)](#) and [section 5.1.5: Bachelor of Music \(B.Mus.\) - Faculty Program Music - Jazz \(123 credits\)](#)).

L.Mus.: Diploma programs are designed for advanced instrumentalists and singers who wish to concentrate on their practical subject.

Special: those who are not proceeding towards a degree or diploma.

Visiting: those taking courses at McGill for credit towards a degree at another university.

Exchange: those taking courses at McGill as an exchange student from one of McGill's approved list of bilateral exchange partners.

4.7 Auditing

For information on auditing, see [University Regulations and Resources > Undergraduate > Registration > Auditing of Courses](#).

4.8 Electives

4.8.1 Free/Music Electives

Unless otherwise specified, any music course that is not a required course in the student's program can be counted as a Free and/or Music Elective in the B.Mus. program subject to prerequisites and room in the course. Ensemble credits accumulated above the minimum may be applied as Free and/or Music Elective credits with limitations depending on the program.

4.8.2 Non-Music Electives

In most B.Mus. programs, students are required to complete a minimum of nine (9) elective credits from non-music courses, i.e., courses offered by faculties other than the Schulich School of Music. **Students should verify the elective requirement for their admitted program from the [Schulich School of Music website](#) as each program differs.**

Exemptions

Students are exempt from six (6) non-Music elective credits if they hold one Diploma of College Studies (DCS; *Diplôme d'études collégiales* [DEC]) in Quebec, or twelve (12) non-Music elective credits if they hold two DCS/DEC, e.g., one in Music and another in Social Sciences.

Language Courses

The Schulich School of Music allows up to a maximum of 12 credits of English Second Language (ESL) courses, including academic writing courses for non-anglophones, to students whose primary language is not English and have studied fewer than five years in an English-language secondary institution.

Placement tests are required for all ESL courses. For more information on placement tests, see www.mcgill.ca/mwc. Soon after the tests are evaluated, you will be issued a departmental approval for course registration.

4.9 Distance Education (Online) Courses

Students may take a maximum of six credits of non-Music elective courses taught through distance education toward their B.Mus. degree at McGill. Courses taught through distance education from institutions other than McGill will be approved as transfer credits under the following conditions:

- The course is given by a government-accredited, degree-granting institution acceptable to McGill.
- The course must be assessed by the department which oversees the subject and be approved on McGill's Course Equivalency Database (see www.mcgill.ca/students/transferecredit/course-equivalency).
- The course counts for credit toward degrees granted at the institution giving the course.
- Prior approval for the course is obtained from the Music Student Affairs Office.

4.10 Course Changes & Withdrawal

Students are permitted to change courses and/or sections of a course during the add/drop period in each term. This is referred to as the official Course Change period. Course and section changes are made by the student, using Minerva to access his/her record directly. Contact Music Student Affairs Office if you are unable to change a course or section. For more information, see [University Regulations and Resources > Undergraduate > Registration > : Course Change Period](#).

Late course change requests, including section changes, if approved, will be charged the applicable Late Course Change Fee. No charge will be made for late changes imposed by the Faculty. If students' registrations must be corrected after the Course Change period to bring their records into conformity with the courses they are actually taking, the students will be charged the late fee. For complete information on administrative fee charges and fines, please consult the [Student Accounts website](#).

Course Withdrawal

Other than practical instruction and/or ensembles, students are permitted to withdraw from courses after the end of the Course Change period. In such cases, the student's mark in the course will be "W". This grade does not affect your cumulative grade point average (CGPA). Students can withdraw from a course on Minerva within the permissible dates. For more information, consult [Important Dates](#).

Depending on when you withdraw from a course online, you may be eligible for a refund. For information on the **Refund Policy**, consult [University Regulations and Resources > Undergraduate > Registration > : Course Withdrawal](#).

4.11 Incompletes

At the discretion of the instructor, a mark of K (Incomplete) may be given to a student who, due to extenuating circumstances, has not finished the coursework on time. The deadline for completion and submission of the required work shall be set by the instructor but may not be later than four months after the K was given. If the final grade is not received within the specified timeline (as agreed by the instructor and student), the mark will be changed to KF (Incomplete Failed), unless an extension has been granted (KE). Completion of the course will cause the K to be replaced on official transcripts by the mark earned. A mark of K not cleared by early May makes the student ineligible for in-course scholarships.

In exceptional cases, when research or an assignment cannot be completed for reasons beyond the student's control, students may be given permission by the Associate Dean (Academic and Student Affairs) to leave a course permanently Incomplete (without penalty). The symbol K will be replaced by KK, in which case the student's grade point average will be calculated without including this course.

4.12 Examinations

The following information pertains to examinations for students in the Schulich School of Music.

4.12.1 Deferrals

Deferred examinations are permitted in the case of illness or other exceptional circumstances.

- Music students requesting a deferred examination in **academic courses** must submit the *Request for a Deferred Examination* in *Minerva*.
- Students requesting a deferred examination in a **practical music examination** must contact the *Performance Department* directly to re-schedule the exam.

Supporting evidence such as an appropriate medical note is required. The supporting documents must be submitted to the *Music Student Affairs Office* no later than five business days from the date of the final exam. For all exam deferral requests except for practical music examination, an L (deferred) will appear in place of a grade if the request is approved. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in academic courses without a final exam during the official exam period are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in academic courses are normally held during the March study break for Fall term deferrals and in August for Winter Term deferrals. See the *Exams website* for more information. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not cleared by early May makes the student ineligible for in-course scholarships.

Students who are unable to write a deferred exam must contact the Music Student Affairs Office immediately to initiate a withdrawal from the deferred exam. Deferred examinations cannot be written at a later date. If the withdrawal is not approved, a final grade of J (absent) will be entered and will count as a zero in the TGPA/CGPA.

4.12.2 Supplementals

Supplemental examinations in Music academic courses may be given at the discretion of the instructor. A student who receives a mark below 30% in a course is not permitted to take a supplemental examination but must repeat the course. Students are subject to a supplemental exam fee if the request is approved. See the Exams website www.mcgill.ca/exams/dates/supdefer for more information.

4.12.3 Reassessments and Rereads

Students may request reassessments of term work or rereads of final exams. In either case, students should first consult the instructor for clarification on an assessment and to request a possible grade adjustment if deemed eligible. If a satisfactory conclusion cannot be reached, students may contact the Student Affairs Office (studentaffairs.music@mcgill.ca) in writing to apply for a reassessment. A formal re-evaluation will be conducted by a qualified and impartial evaluator. A fee may be charged for a reread or reassessment.

Students are subject to the following rules when applying for a reassessment or reread:

- Grades may either be raised or lowered as a result of a reread/reassessment; the final course grade following a reread/reassessment takes precedence, whether it is higher or lower.
- If the resulting grade remains the same or is lowered, a fee will be charged; consult the *Student Accounts website* for fee details.
- If the reread/reassessment leads to a higher grade, no fee will be charged.

Students must submit a reread/reassessment request by the following deadlines:

- March 31 of the subsequent year for fall courses
- July 31 of the same year for winter courses
- November 30 of the same year for summer courses

Note: No late applications for rereads/reassessments will be accepted.

4.13 Graduation Requirements

1. Completion of all courses and proficiency requirements as specified in the candidate's program. Students registered in two programs must fulfil all requirements for both programs. A minimum grade of C (or higher, depending on the program) must be achieved in all required courses, all complementary courses specified by course number, and all prerequisite or corequisite courses. A grade of D (non-continuation pass) is acceptable only in elective courses that are not prerequisite or corequisite to other required courses in the program.

2. Minimum cumulative grade point average of 2.00.
3. Completion of a minimum of credits in residence at McGill University (B.Mus.: 60 credits, L.Mus.: 48 credits).

For more information on applying to graduate, see www.mcgill.ca/graduation/applying.

For information on the designation of Dean's Honour List awarded at graduation, see [University Regulations and Resources](#) > *Undergraduate* > *Graduation* > *Graduation Honours* > : *Dean's Honour List*.

5.3 B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program

The Bachelor of Education in Music (B.Ed. Music) is an integrated four-year 152-credit program of initial teacher training that leads to certification as a teacher in the Province of Quebec. This program is only open to students who have completed a Bachelor of Music (B.Mus.) or its equivalent, and normally students receive

emphasis on the ability to diagnose and correct technical and musical problems. The B.Ed. Music Elementary and Secondary program in the Faculty of Education focuses on the development of the musicians as educators. This is achieved through courses in educational foundations, music pedagogy, pedagogical support, and a practicum component comprised of four field experiences and supporting professional seminars.

6 Practical Subjects

All returning students must submit an *Online Practical Instruction Request Form* by May 15 of each year if they wish to register for practical instruction and/or voice coaching lessons.

Note: Part-time students will be charged a Music Supplementary Practical Instruction fee in addition to the per-credit fee and the Music Practical Instruction fee. See *section 3.7: Tuition Fees, Practical Instruction Fees, and Lesson Quotas* for more information.

6.1 Practical Assignment and Lessons

6.1.1 Registration/Withdrawal

Registration for practical instruction (MUN lesson course numbers) is **not available** on Minerva. Students are reminded to submit an *Online Practical Instruction Request Form* by the specified deadlines. Practical Instruction will then be added onto students' records.

Students cannot withdraw from practical instruction on Minerva; they must notify the Department of Performance of their intention to withdraw by emailing teacherpreference@music.mcgill.ca. For deadlines, refer to *section 4.10: Course Changes & Withdrawal*.

6.1.2 Assignment of Teachers

The assignment of students to teachers for practical instruction is the responsibility of the Chair of the Department of Performance. Student requests for specific teachers will be taken into consideration whenever possible.

It is understood that returning students will study with the same teacher unless prior arrangements have been made with the Chair of the Department in consultation with the teachers concerned. **However, those students who do not return the Online Practical Instruction Request (including Voice Coaching) by the specified deadline cannot be guaranteed the teacher of their choice, and they will be assessed a late fee of \$50.** Teacher assignments will be made soon after the period of enrolment and confirmed during the first week of classes. Following this assignment, it is the students' responsibility to contact their teachers and arrange lesson times.

Individual lessons missed as a consequence of the instructor's absence will be made up at the mutual convenience of the instructor and student. Lessons missed as a result of the student's absence will be made up only if notice of cancellation has been given 48 hours in advance, or if a doctor's certificate is produced and prior notice of the cancellation is given.

Note: Students who are taking practical instruction in fulfilment of the requirements for any degree or diploma are required to study with teachers on the staff of the Schulich School of Music.

6.2 Examinations and Goals in Practical Subjects

Different levels of achievement are required of students depending upon the program of study for which they are registered. These levels are defined in part by the difficulty of material and length of the program required at the various examinations, and in part by the examiners' assessment of how well the student plays this material.

In general, there are five categories of practical study:

- Concentration Study
- Major Study
- Licentiate Study
- Postgraduate Study
- Elective Study

6.2.1 Concentration Study

Students in the:

- B.Mus. Faculty Program;
- Faculty Program – Jazz concentration; or
- Major in Music Composition, Music Education, Music History, or Music Theory

are obliged to present one examination in order to fulfil the practical requirement of these programs: the Concentration Final Examination (MUIIN 283). Grades of C or higher in all practical requirements are mandatory for continuation in the program.

The sequence would normally be:

Concentration Study Sequence

MUIIN 180	BMus Practical Lessons 1
MUIIN 181	BMus Practical Lessons 2
MUIIN 280	BMus Practical Lessons 3
MUIIN 281	BMus Practical Lessons 4
MUIIN 283	BMus Concentration Final Examination

Examination:

BMus Concentration Final Examination (MUIIN 283)

Purpose: To determine that the student is sufficiently accomplished to qualify for the degree of Bachelor of Music. In the event that the student is inadequately prepared, the panel may recommend to the department in which the student is registered that: a) the student be asked to withdraw from the program; or, b) the student be permitted to redo the examination.

Panel: A minimum of two staff members (not including the teacher), one of whom must be from the area. The panel is appointed by the Chair of the Department of Performance. At the discretion of the Departmental Chair, the teacher may be included on panels of three or more examiners.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

6.2.2 Major Study

A student majoring in Performance must show talent for this field before being admitted to the program. The practical requirement for these programs comprises examinations and recitals as specified in the programs.

6.2.2.1 B.Mus. Major in Performance, Major in Early Music Performance, and Major in Jazz Performance

The sequence would normally be:

Major Study Sequence

MUIIN 280	BMus Practical Lessons 3
MUIIN 281	BMus Practical Lessons 4

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

6.2.4 Postgraduate Study

Master of Music (M.Mus.), Graduate Artist Diploma (Gr.Art.Dip.), Graduate Diploma in Performance (Gr.Dip.), and Doctor of Music (D.Mus.) candidates should consult [Schulich School of Music > Graduate > Browse Academic Units & Programs > : Schulich School of Music](#) for program requirements.

6.2.5 Elective Study

Students may elect to pursue further practical instruction in an instrument/voice beyond a program's curricular requirements. Students will first have to pass an audition in a second practical subject before they can apply for elective practical instruction (also known as elective lessons). Elective practical instruction is worth 2 credits for each approved term, which may be applied as music/free electives towards a B.Mus. program.

Additional student fees ([section 3.7: Tuition Fees, Practical Instruction Fees, and Lesson Quotas](#)) may apply when students apply for elective practical instruction.

For more information about elective study, contact the Music Students Affairs Office at studentaffairs.music@mcgill.ca.
