practices, innovative communication strategies, and techniques for making research dissemination more accessible. This project develops those themes further and focuses on how to make the proposed ideas raised in the previous series sustainable.

That series included over 25 events including presentations by: the co-founder of the AI Now Institute, Meredith Whittaker on AI and Social Justice; Abigail Echo Hawk on Decolonizing Data; Dr. Lauren Klein on Data Feminism; journalist and filmmaker, Astra Taylor, on Technology, Publishing, and Power; Oglala

8. **How will you communicate about your project and share its impacts with the McGill community? Please describe your key tactics (e.g. social media, workshops, tabling, etc.).** *Limit ~200 Words*

In order to make the series as accessible as possible, lectures will be livestreamed and recorded when possible. The recorded lectures will be hosted on The Feminist and Accessible Publishing, Communications, and Technologies Practices Speaker and Workshop Series Youtube Channel. These videos will also be embedded on the The Feminist and Accessible Publishing, Communications, and Technologies Practices Speaker and Workshop Series website (feministandaccessiblepublishingandtechnology.com) and will be publicized on The Feminist and Accessible Publishing, Communications, and Technologies Practices Speaker and Workshop Series Facebook Page (@FeministandAccesiblePublishingandCommunication) and Twitter account (@feministandacc1). Dr. Ketchum also will publish results on several McGill listservs.

9. **If applicable, are there any training, volunteer opportunities, jobs, or complementary applied student research integrated in your project? Please describe.** *Limit ~100 Words*

Yes. The project will employ several McGill students as research assistants. This funding will come
